"What has been your favorite part so far?"

"The love throughout the room, the obvious joy on the faces of the grandparents and great grandparents when the children are performing. The Faith Christian Community together celebrating Faith and Family" - Tracy Mendonza

"Seeing our legacy--our grandchildren--singing and sharing God's word with such tender hearts. (Grandma's House always touches my heart and makes me cry. So precious.)" - Larry & Beth Reimers

"It's the blessing of knowing that my grandchildren are getting a Christian education, and learning the ways of our Lord and God Jesus Christ." - Michael Barbuto

at Calvary Chapel warehouse
located at 613 Bogue Rd. YC
we have that privilege and opportunity

Joy Elliott

"As believers we are called to serve. We are to be the hands and feet of Jesus. We are to glow with the light of Jesus in the darkness. It is a privilege and honor to minister & love on people. Everywhere we look there are hurting people. People that need our love, they need a hug, a listening ear, a prayer, a touch. It is a blessing to be a part of the Homeless Ministry with Mr. Herrera."
