Note to Parents:

How can I help my child prepare for 4th grade?

1. It is helpful to know basic parts of speech – nouns, verbs. Read! Read! Read!
2. Make sure your child knows his or her multiplication & division facts well. These are **key** in many fourth grade math units.

What extra expenses should I expect as my child transitions to 4th grade?

Rock-n- Water	Student fee around \$160	Overnight trip in mid-late April (pay ½ in Sept. & ½ in March)
School sports	Adult fee around \$160	Cost of gear and a donation for the coach's gift
CA History Projects	\$5 - ?	We encourage students to be creative and make use of or reuse common household supplies, but there may be a few small items to purchase.
Honors Trip	Around \$30 per student/\$50 per adult	Honor field trip in May

We at FCS know the tremendous sacrifice you are making to have your children in a Christian school. It is our hope that having this information ahead of time will help you to better plan for the 2026-2027 school year.
