

Computer Acceptable Use Policy

(All students grades 2-6 must complete and return)

Faith Christian Schools, Inc. ("FCS") is providing computer network and internet access for its students and employees. This service allows employees and students to share information, learn new concepts, research diverse subjects, and create and maintain school-based websites. FCS has adopted this Acceptable Use Policy ("Policy") to set guidelines for accessing the computer network or the Internet service provided by FCS. The following is a basic breakdown.

- The account provided by FCS should be used only for educational purposes and is privilege and not a right. .
- Uses that violate any state or federal law or municipal ordinance or cause harm to others or damage to their property are prohibited.
- Using any other user account besides your own or sharing your password prohibited.
- At no time are Internet Chat Rooms, Facebook, Twitter, Instagram, or any other interactive media to be used by students
- Students may not access their e-mail accounts on school computers.
- Students shall not reveal personal information about themselves or about other persons while on the Internet.

FCS implements filtering and/or blocking software to restrict access to inappropriate Internet sites. No software is completely foolproof and if a user accidentally connects to such a site he/she must immediately disconnect from the site and notify a teacher or supervisor.

The System Administrators have the authority to monitor all accounts, including e-mail and other materials transmitted or received via the accounts. All such materials are the property of FCS. Account users do not have any right to or expectation of privacy regarding such materials.

By signing this agreement, the student, and parent or guardian agree to follow the rules set forth in this policy and to report any misuse of the computer network or the Internet to a teacher or supervisor.
