Faith Christian School does not receive state or federal funding which allows the freedoms of Bible-based curriculum and intentional Christian focus, but causes the need for tuition, fundraising and gifts from donors.

ABOUT FAITH CHRISTIAN

Faith Christian School (FCS) is an independent, non-denominational Christian school in Yuba City, California. Established in 1975, the school is housed on two campuses, serving 250-300 kindergarten through 12th grade students and their families.

Our faculty and staff take a head, heart, and hands approach to mentoring students that is strong in academics, spiritual and emotional development, and service to others. FCS **Curriculum is Christ-centered and Bible-based**. Faculty integrates Judaeo-Christian values into all course material and activities including extra-curricular sports and arts. Our academic programs include advanced placement and dual-credit courses, university-level senior projects, individual study, and tutoring. Over ninety percent of FCS graduates attend college after high school.

Faith Christian School is governed by an independent **school board** that is comprised of seven members from various local churches. The school is a member of the Association of Christian Schools International (**ACSI**) and the high school holds accreditation from ACSI and the Western Association of Schools and Colleges (**WASC**).
