A TEACHABLE MOMENT • RIGHTEOUS ANGER AND POWERFUL PRAYER

After watching a video showing the portrayal of Jesus grabbing a whip and driving the crooked moneychangers out of the temple, a 4th grade student couldn't connect what he knew of Jesus to this person who was angrily responding to the wrongdoing. A discussion followed about things that we as Jesus followers might be righteously angry about. Mrs. Seino guided her students to think beyond their initial "it's not fair" and "it's not convenient" examples. Sheryl shares, " At the end of our discussion time, I asked the kids to pray. Immediately, one after another, they prayed heartfelt prayers, against the sins and ungodly behaviors we had listed. It became a holy place...I'm so thankful for the opportunity to not simply teach, but to disciple world changers, because of the mission of Faith Christian School."

Virtual Victory at 42nd Lion Run

Our annual Jog event raised \$77,000 because of the support of our community and donors like you! Our students participated in the Virtual Run in so many creative ways (see the [photo gallery on our website](#)). The students with the most Lion Run points were rewarded by taking a shot at dunking their principal! First grade and the sophomores both had the most donations for the class competitions. FCS was blessed by our community partners, friends and family. Thank you for investing in our students lives and future.
